

LifeCORE Fitness

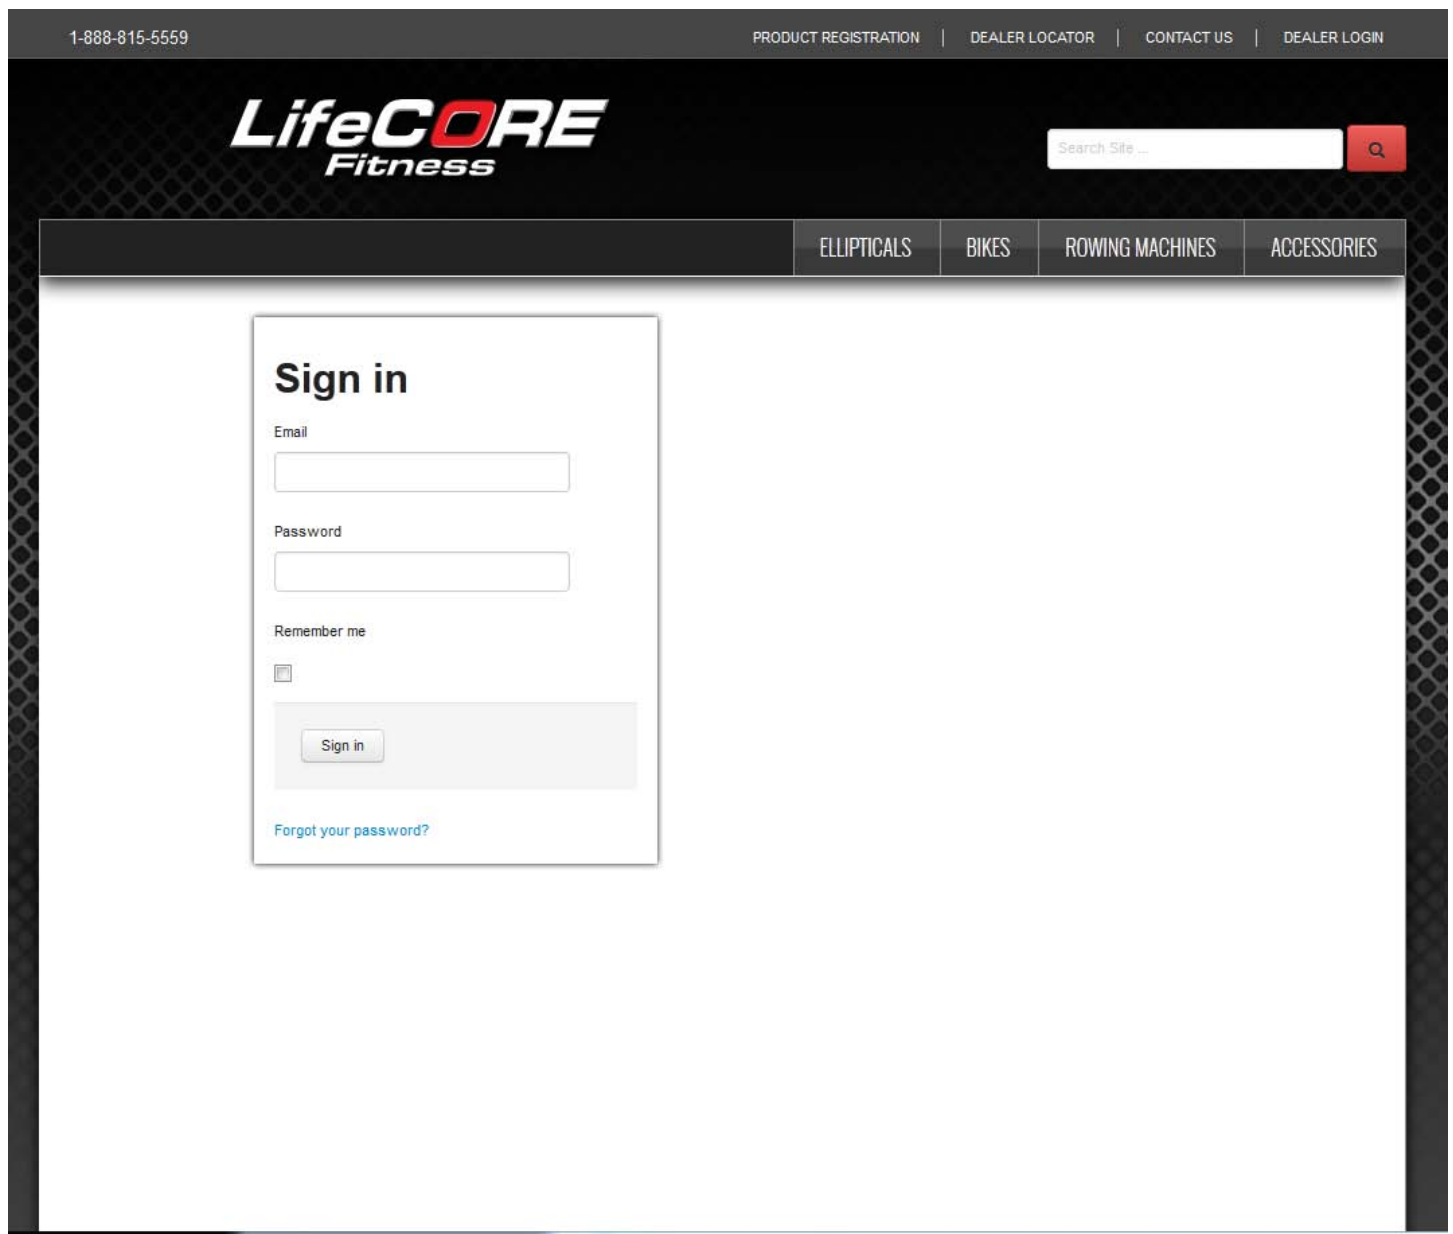

Website Access Instructions

Attn: All LifeCORE Dealers and Service Providers

We would like you to visit our new website @ www.lifecorefitness.com and would like to share some important information regarding navigation to different points of the site and special access to our “Dealer Login” section.

The first thing you should do is send an email to info@lifecorefitness.com and request an invite to the site and specify the email you wish to use, as this will be your username.

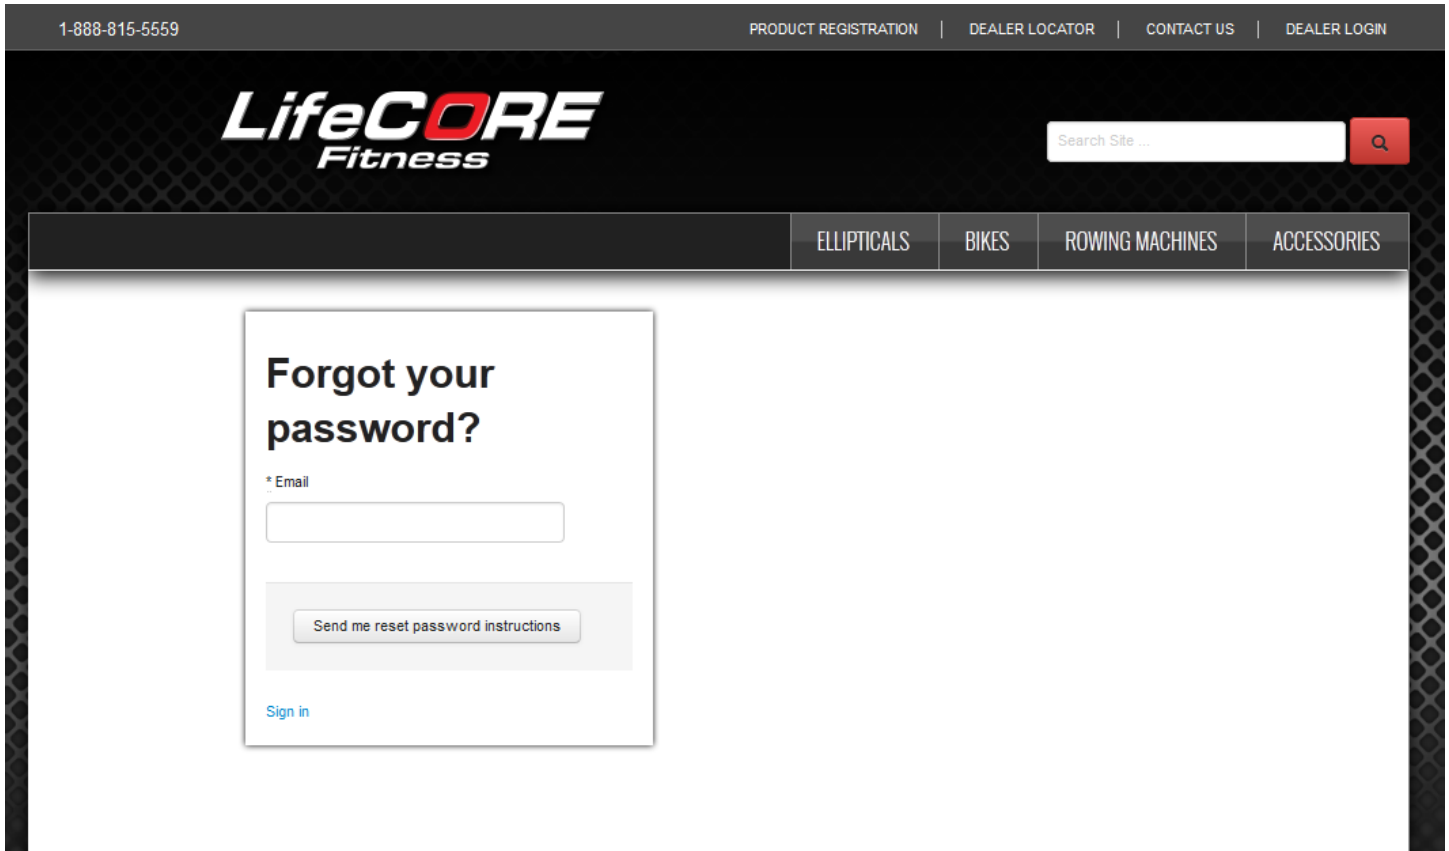

You will be emailed an invite to sign on to the “Dealer Login” and requested to create a password.

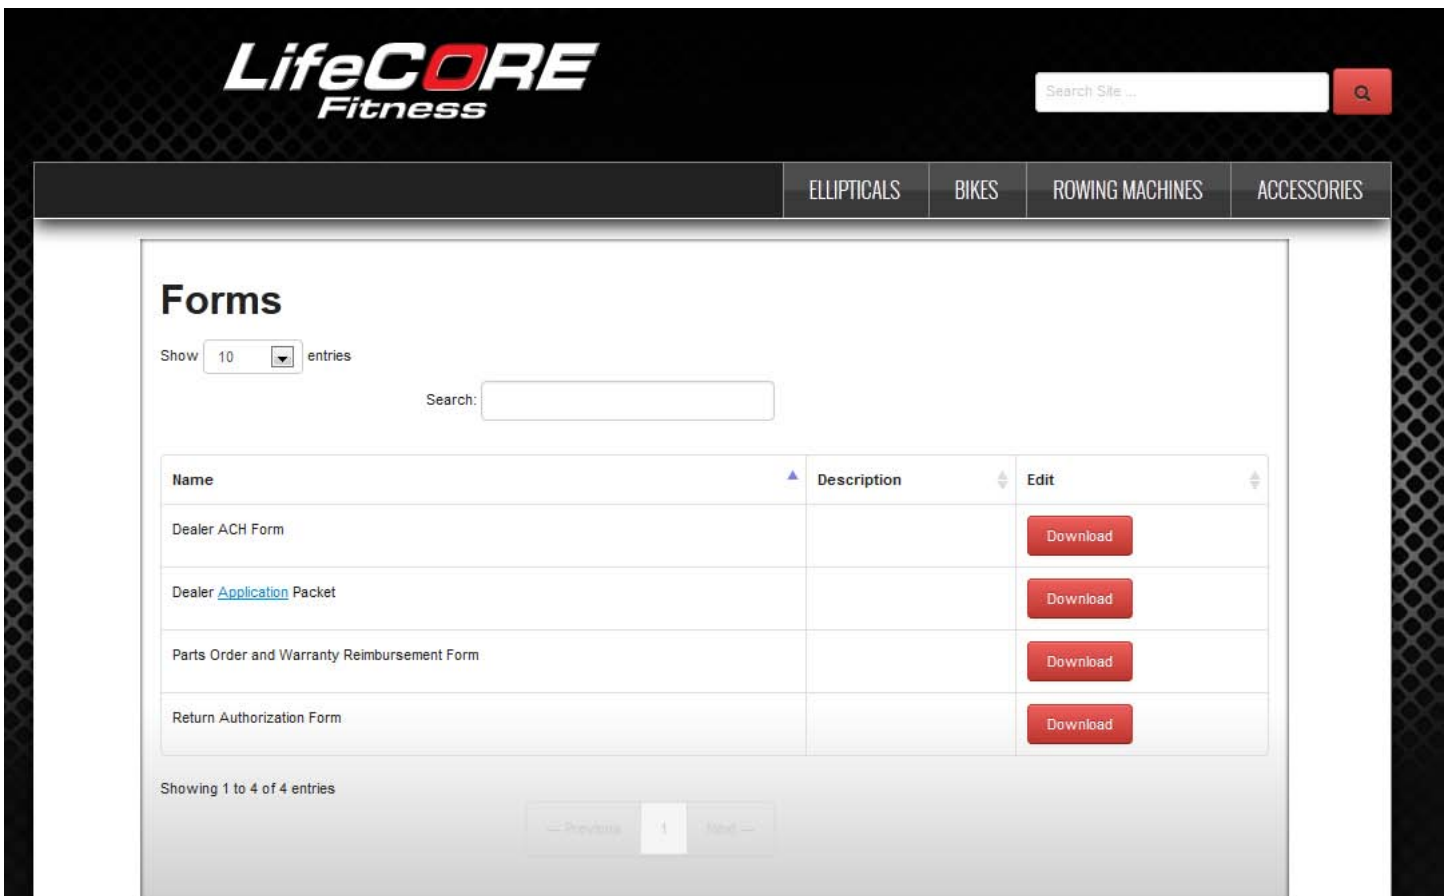

The screenshot displays the LifeCORE Fitness website interface. At the top left, the phone number 1-888-815-5559 is visible. The top navigation bar includes links for PRODUCT REGISTRATION, DEALER LOCATOR, CONTACT US, and DEALER LOGIN. The LifeCORE Fitness logo is prominently displayed on the left side of the header. A search bar is located on the right side of the header. Below the header, a navigation menu contains categories: ELLIPTICALS, BIKES, ROWING MACHINES, and ACCESSORIES. The main content area features a 'Sign in' form with the following elements:

- Sign in** (Section Header)
- Email** (Label) with an input field
- Password** (Label) with an input field
- Remember me** (Label) with a checkbox
- Sign in** (Submit Button)
- [Forgot your password?](#) (Link)

If you should ever forget your password, you can always come back to the “Dealer Login” section and click on the *Forgot your password?* Link and a reminder email will automatically be sent to you.

Once you have access to the “Dealer Login” section, you will be able to view support documents, such as videos, product parts diagrams, parts order form, owners manuals.

Please inform all of your customers who have purchased a LifeCORE Fitness product to register their machine online. They can go to <http://www.lifecorefitness.com/registrations/new> and enter the required information. You can also register your customers yourself to make sure they are registered if they should ever need any customer support. Having this information online and easily accessible saves time and makes customer service that much better.
